Subject: Joy of Food Special Use Application---August 7, 2017 TPZ Meeting agenda

To: West Hartford Town Plan & Zoning Commission:
(cc: Todd Dumais, Town Planner)

Dear Sir or Madam:

In response to the report of Assistant Fire Chief Michael Sinsigalli, and the report by Inspector Navin for the West Hartford Fire Department, Beth El Temple has been actively working to repair any/all needed fire code issues identified. We expect to have this process completed in early August, but not in time for the Application by Joy of Food, to be considered at the August 7, 2017 TP&Z meeting.

Therefore, we are requesting for the Application to remain open, and immediately continue the hearing, until the TP&Z meeting on September 6, 2017, in order to address outstanding staff comments on the Application.

Kindly review and advise if this is acceptable.

Sincerely,

Howard
